Election Returns From

Sonoma County Cities

The Index-Tribune was unable to give complete tabulated figures from the leading county towns in last week's issue, owing to the length of time required to count the votes. Despite the lateness of date, we give these figures today on county officials, realizing that the voters of this valley are interested in knowing just how their favorite candidates run in other districts.

BASEBALL NOTES

St. Helena 4, Sonoma 1—that's how the score read at the end of the game, last Sunday, at St. Helena. It was an interesting game, and Sonoma tried hard to win, but the freaks of the game went against us.

Besides, too, our local team left their batting eyes at home, and could not hit.

St. Helena, as a matter of fact, has a very good baseball team—a team any town can be proud of, but they have a very poor diamond. A big pile of brick decorated left field, and made it impossible for the left fielder to get near the ball.

Quite a number of fans went along to cheer the home team on, and everybody had a good time.

Dutch Andrieux got two hits, one of his hits scoring the only run for Sonoma.

Richie Khawyer made a hit with the fans of St. Helena with his snappy playing.

Captain Ralph Evans played errorless ball at short.

Lefty Helberg pitched the game of his life for Sonoma. Lefty struck out nine men, and allowed only six scattered shots.

Bill Block played a star game at first base, and also got a two-base hit.

Tomorrow (Sunday), Sept. 6th, and Monday, Sept. 7th, Sonoma will play with the Paradise Soda Cracker baseball team of San Francisco.

Lefty Helberg and Pete Boccia will divide the pitching honors. Lefty pitching on Sunday, and Pete on Monday.

The game will start at 2:15 p. m. sharp, on each day.

ENTHUSIAST.

EFFORTS APPRECIATED.

At a meeting of the Board of Trustees of the Sonoma Valley Union High School, held on Friday of last week, the following resolution was unanimously passed:

Resolved, that the Board of Trustees of the Sonoma Valley Union High School greatly appreciate the efforts of the principal of the high school, Prof. Maurice H. Rowell, to foster and encourage among the pupils an interest in Agriculture and Home Industries, and we take this opportunity to extend to him public expressions of our congratulations upon the success of this the first High School Fair held in Sonoma County.

R. J. DOWDALL,
President.

ROBT. P. HILL,
Secretary.

Agricultural and Industrial

Exhibit a Great Success

The Agricultural and Industrial Exhibit which was held on Friday and Saturday of last week, at the Sonoma Valley High School, by the boys and girls of the Sonoma Valley public schools, won for Principal M. H. Rowell and his corps of assistants a high measure of praise for the surprising success achieved as a result of the united, persistent and enthusiastic efforts of teacher and young people.

The display throughout was decidedly creditable and splendidly complete. Indeed, the products shown would have been a reflection of zealous enterprise on the part of experienced farmers.

In the schoolrooms were the displays of needlework—white and colored embroidery, and plain sewing, the work accomplished by the summer class of young ladies, taught by Miss Helen Rowell. The needlework shown elicited much admiration from the many ladies who examined it.

Many and beautiful were the cut flowers exhibited, the judges finding it difficult to make awards from the choice varieties entered in competition.

Mrs. Henry J. Wicker had on display several beautiful pieces of hand-painted china, an evidence of her exceptional skill in the art.

Friday morning, at 10:30 o'clock, Mrs. Robert P. Hill lectured on "The Function of the Farmers' Grange and the Junior Grange. What Has Been Accomplished by it in California and the East." As Mrs. Hill's discourse was along lines of general public interest and benefit, we shall endeavor to present it to our readers in its entirety next week.

Friday afternoon, at two o'clock, Prof. O. J. Kern gave an illustrated lecture on "New Movements in School and Community Life."

This was exceptionally good and those who took advantage of the opportunity to avail themselves of the benefits to be derived from this very instructive lecture, feel that it was, indeed, a privilege, and appreciate to the fullest the interest and co-operation on the part of the Department of Agriculture, of the University of California by sending Prof. Kerns and Ogelsby to lecture to the students and people of this valley.

Saturday, at 10:30 a. m., Prof. W. F. Ogelsby, Department of Agriculture, University of California, lectured on "How the State College Can Help the Ranchers at Home."

Prof. Ogelsby is broadly intelligent on all points pertaining to scientific farming, and convincingly told of how the "back to the farm movement" could and would be promoted by conducting the farm with a more thorough knowledge of soil, sub-soil; when, how and where to plant; diseases and the treatment of; cost of planting, cultivating, etc., and, in short, everything pertaining to the successful conduct of the farm.

Like that of Prof. Kerns, the lecture delivered by Prof. Ogelsby was a fund of valuable information.

Saturday afternoon was devoted to athletic sports and in the evening, dancing was enjoyed.

Principal M. H. Rowell, of the Sonoma Valley Union High School, unites with patrons and pupils of the valley schools, as well as the residents of this section generally in thanking Mrs. Hill, and Prof. Kerns and Ogelsby for the interest taken, and the helpful lecture delivered by each; Prof. B. C. Bryant of the Farmers' Institute of Stock Husbandry, who judged the stock, and also gave out much valuable information; to the business men of this city, who co-operated by extending personal encouragement and financial support; to the Boys' Band, for the gratuitous contribution of music on Friday afternoon and evening. Thanks are extended to all who in anywise contributed to the success of the undertaking.

AN INJUSTICE MADE CORRECT

CLOVERDALE, CAL., Aug. 23-14
CARL DRESEL, Sonoma, Cal.:

Some Democratic committees influenced by some federal officials favored by Mr. Kent endorse him for Congress, ignoring party candidate, inform grape and hop growers of this trick. Mr. Kent, August 15, announced in Press Democrat, he would support Hobson Amendment, which destroys grape and hop industry of United States.

A. J. SMITH.

The above is the wording of a telegram, sent by A. J. Smith, secretary of the Cloverdale branch of the Grape-Growers' Protective Association, to Carl Dresel, president of the Sonoma branch of that organization. On its receipt, Mr. Dresel handed the message to Secretary John F. Picetti, with instructions to make public its contents.

This Mr. Picetti proceeded to do, although the lateness of the hour made it impossible to do other than circulate the telegram. Among those to whom it was handed for reading was the editor of the Expositor, who failed to acquaint himself fully with what "A. J. Smith" represented, taking it for granted that Mr. Picetti was acting in his capacity as secretary of the Chamber of Commerce, instead of the Sonoma Valley branch of the Grape-Growers' Protective Association, and in its issue of last week "roasted" Mr. Picetti "to a frazzle" for an alleged breach of trust.

In Tuesday's Expositor, partial retraction was made for the injustice done Mr. Picetti, but a plain statement of the facts in the case, which would have completely vindicated Mr. Picetti, was not made, hence the setting forth of the truth of the incident in today's Index-Tribune, although, as a matter of fact, we don't believe John Picetti needed even this explanation to set him right before the people. His high integrity and fine principles have won and will hold the perfect confidence of residents of this valley.

Ordinance No. 139

An Ordinance adopting a City Base, or Datum, for the City of Sonoma.

The Board of Trustees of the City does ordain as follows:

Section 1. The Base or Datum in the City of Sonoma, for the purpose of providing a uniform system of elevations for streets, sidewalks, curbs, sewer grades, etc., is established as follows:

Datum shall be tide-water as indicated by the United States Surveys, especially its "Bench Mark," a circular metal plate, or disk, sunk in the brick work of the store building at the North East corner of Napa street and First Street East. The elevation of said bench mark is given as 83 feet. This bench mark is set Easterly from the East side of First Street East, on the North side of Napa Street, in the building now known as Dunring's Building. The exact point in said bench mark is a horizontal line in the middle. This shall be known as the Initial Bench Mark. Its elevation shall be 83 feet.

From time to time as surveys progress, the City Engineer shall take the elevation of some object not liable to be moved, record its elevation with reference to the Initial Bench Mark, and describe it in such a manner that it may be recognized, sign his name as having so recorded it, and such new bench marks shall be regarded as a part of the system.

Section 2. This Ordinance shall take effect and be in force thirty days after its passage, approval and publication.

In Board of Trustees finally passed and approved this 2nd day of September, 1914, the following vote:

VINEBURG

Fred Batto paid a business trip to the bay cities on Tuesday.

E. Colombo, a scenic painter of the metropolis, is registered at the New Vineburg Inn.

Misses Adele Andrieux and Margaret Caraball visited the Exposition City on Tuesday.

Mrs. A. Trautvetter, of the Hyde Tract, is the guest of friends and relatives in the bay cities this week.

Cedric Cutter, the popular young orchardist of this place, transacted business in the Bay City, Monday.

Mr. and Mrs. E. M. Cutter, who have been enjoying an outing at Dillon's Beach, are expected home next week.

Mr. and Mrs. W. J. Hiser, Miss Jessie and Master Henry Hiser were the guests of Mr. and Mrs. Fred Batto, on Sunday.

On Thursday morning, five car loads of feed and grain were sent out from Batto's farm, making a total of eight cars in a week.

L. Marks, a well-known young business man of the metropolis, is the guest of Mr. Simi, at "Oak Leaf Cottage," on the Hyde tract.

A new barber shop will be opened in Vineburg in a short time at New Vineburg Inn. The furniture and fixtures are now on the premises.

A. W. Lehrke, founder of New Vineburg, and a well-known business man of the Bay City, transacted business in the metropolis on Tuesday.

Mr. and Mrs. Peter Orsi and family, formerly of Sonoma, but late of Eureka, Humboldt county, have returned and are the guests of Mr. and Mrs. M. Donahue, on the Hyde tract.

Paul Rosa, one of North Beach's solid business men and well known in business, social and fraternal circles, returned home on Monday last, after a two week's pleasant vacation at New Vineburg Inn.

R. W. Vernon shipped twenty-five boxes of tomatoes, by express, to his brother, at Lake View, Oregon. We believe that this is the first shipment of vegetables to that State from this portion of Sonoma Valley. The shipment was made last Tuesday.

Marshal Enrico Forni is erecting a new building on his place, and some of the "wise ones" say that it is going to be the new city hall. Don't you believe it, for our new city hall will not be built until our roads are graveled and put in decent condition.

Mrs. J. W. Lawrence, of Petaluma, and Mrs. Leo F. Hampton, of the Bay City, were the guests of

Mrs. Adam Gregich, at the pretty Gregich-Callahan residence on the Hyde Tract, for several days last week. Both ladies were delighted with their visit.

The sharp advance in the price of grain and feed, the latter part of last week, caused quite a flutter among the poultrymen, and on Saturday afternoon orders were taken by the firm of John Batto & Sons for between seventy-five and one hundred tons of feed. The market stands still firm.

On Sunday last, while Lawrence Hunter, of Vineburg, and Hamilton Wagon, of Sonoma, were hunting on the old Jones ranch, they run across a large rattlesnake, and now there is one rattlesnake less in the county, for the boys did not do a thing to him, only blow his head off. He measured forty-four inches in length and had nine rattles. Some snake.

SCHELLVILLE

A. Silva is at present the guest of San Jose relatives.

Milton Crandall was among the Petaluma visitors Monday.

Jack Millerick left, Tuesday, for a brief trip to the bay cities.

Mrs. F. Bolinos left Monday for a brief visit to San Francisco.

Anton Jason, of Petaluma, was a Schellville visitor a few days last week.

Miss Anna Hader, of the Bay City, was a week-end guest at the Fred Helberg residence.

Mrs. Jos. Keschler and daughter motored up to Sonoma, Sunday, spending the day with relatives.

E. E. Bennett, our well-known poultry man, started, Tuesday, laying the foundation for a modern bungalow.

Mr. and Mrs. Jake Schumacher and children spent Thursday in Napa, visiting friends and taking in the circus.

A few neighbors spent Wednesday afternoon at the cozy home of Mrs. E. Steddom, and a pleasant time is reported.

Charles Wall, a former very well known resident of Sonoma, left on Sunday, after spending a week at the Millerick home.

A. Mareucci and daughter, Pauline, of Caliente, motored down here, Tuesday, and enjoyed a visit with relatives at Embarcadero.

Mr. and Mrs. Wm. Church and children are preparing for a couple of weeks' camping in the vicinity of Bodega Bay. The health of Mrs. Church is greatly improved.

HAPPY JACK.

A TRIO OF PAINFUL ACCIDENTS

Two of Parties Hurt While Attending Horse. Other One by a Ladder

The many friends of Ray Button, of the Woodleaf Stables, at Boyes, deeply regret the painful accident suffered by him on Thursday morning. Mr. Button was examining the hoofs of a horse, and was kicked by the animal in the chin, which was so badly cut as to require several stitches. The young man's face and mouth was otherwise severely bruised. Dr. I. O. Gobar dressed the injury and Ray is now resting quite comfortably, we are pleased to note. His host of friends feel he is, indeed, to be congratulated on having escaped more serious injury.

On Monday morning last, Henry Ahlers, a prominent and esteemed resident of Glen Ellen, journeyed to Sonoma to receive surgical attention from Dr. A. M. Thomson. Mr. Ahlers was handling a horse on Sunday, and the sudden rearing of the animal threw the gentleman backward, breaking his right arm at the elbow. Mr. Ahlers is receiving the sympathy of his many friends on the unfortunate occurrence.

Rudolf Wagner, manager of the local distributing plant of the Standard Oil Company, met with a painful though not serious accident on Monday last. The young man was attaching a ladder to the side of the interior of the station, in the process of which he strained his right arm, stretching the ligaments. John Canaveri has assumed the duties of Mr. Wagner, during the latter's enforced vacation.

CITY TRUSTEES REGULAR MEETING

Order Bills Paid—Pass Ordinances—Reject Printing Bids and Transact Other Business

The Board of City Trustees met in regular monthly session at the City Hall, Wednesday evening. All the members of the Board were present, with President Wm. Von Hacht in the chair.

The minutes of the previous meeting were read and approved. Previous to the considering of the monthly bills, Trustee Breitenbach addressed the Board, urging that the business of the city be conducted at the regular meeting of the City Trustees in the City Hall and not on the streets. That all work of any importance should be awarded on bids was also urged by Trustee Breitenbach.

The regular monthly bills were read, approved and ordered paid. On motion of Breitenbach, seconded by Johnson, a communication from California Municipalities was placed on file.

The report of the city marshal was referred to the finance committee.

On motion of McDevitt, seconded by Dal Poggetto, Ordinance No. 138 was adopted.

On motion of Breitenbach, seconded by Johnson, Ordinance No. 139 was unanimously adopted.

On motion of McDevitt, seconded by Dal Poggetto, Ordinance No. 140 was unanimously adopted.

On motion of McDevitt, seconded by Dal Poggetto, it was ordered that all trees on Broadway, from Napa to France street that interfere with sewers be removed.

On motion of McDevitt, seconded by Dal Poggetto, bids from the Sonoma Valley Exhibitor and the Index-Tribune for city printing were opened.

On motion of Breitenbach, seconded by Dal Poggetto, both bids were rejected. The Board adjourned.

For the benefit of the public, we wish to state that the bids were rejected because the figures of both were the same—a schedule of rates passed upon and adopted by the Board of Supervisors of this county, and less per square for the publishing of ordinances than the prices prevailing in other cities of this county.

Disagreement between the local papers in the past resulted in the cutting of prices to a figure that was below the actual cost of typesetting for ordinances. The papers have decided that unless a fair-living wage can be received for their work they don't want it. A fair, square, legitimate schedule of advertising and other printing has been submitted to the City Trustees, the figures of which will not be reduced.

The regular meeting of the Congregational Ladies Aid Society will be held at the home of Mrs. B. F. Campbell, next Tuesday afternoon.

LOCAL NEWS OF SONOMA AND IMMEDIATE VICINITY

Floyd Summers, of Colton, California, is the guest of Mr. and Mrs. L. S. Simmons, with whom he will spend several weeks.

Dr. W. B. Hays returned from a couple of days' professional visit in the metropolis Thursday evening.

Arthur Drake, of Modesto, is spending a fortnight at the Engler home. Dock Engler is also enjoying a home visit with relatives and friends.

Mr. and Mrs. H. John Sholden came up from the metropolis and spent the week-end with their relatives, Mr. and Mrs. Jos. Small and family.

Dr. and Mrs. A. M. Thomson and little son, Allen, leave tomorrow for a vacation trip of two or three weeks, to be spent for the most part in Shasta County.

Wanted—From owner, farm of one hundred and sixty acres more or less, with improvements and some stock. Must be cheap. Address, M. Mohrman, Lockford, Cal.

Dr. Frank Phillips, one of the successful nominees for coroner and public administrator, was in town, Sunday, shaking hands with his many friends. The popular nominee was highly gratified at the flattering vote given him at the primaries last week.

Mrs. Ralph Winston (nee Beth Trudgen) is at the home of her parents, Mr. and Mrs. Wm. Trudgen. This former popular Sonoma girl will enjoy several weeks with relatives and her host of friends prior to her departure for Oregon, to join her husband and reside.

Frank G. Shepherd took his departure, Wednesday afternoon, for a trip through Los Angeles and San Diego. Mr. Shepherd will be absent about eight weeks, and on his return will resume his position in the L. S. Simmons pharmacy. Mr. Shepherd is deservedly very popular, and is most accommodating in the enterprising pharmacy.

Mr. and Mrs. Henry F. Bates returned, Monday, from their several week's trip through Colorado, and were gladly welcomed home by their relatives and friends, by whom the much-esteemed couple were greatly missed. Sonoma was certainly a lonesome town during the absence of genial H. F., who declares for him, "Sonoma first, last and all the time."

Will Appleton was here from Berkeley, Wednesday night, having been summoned to Sonoma by the critical illness of his mother, Mrs. Hannah Appleton, whose condition for the past two weeks has caused her family and friends considerable anxiety. Mrs. Appleton is somewhat improved at present writing, we are more than pleased to announce, and her attending physician, Dr. A. M. Thomson, does not apprehend serious results. Her legion of friends hope that our beloved and worthy pioneer will be restored to her usual good health.

The Sonoma Boys' Band met with cordial response from the business men of this city, who contributed very generously in order that Saturday night concerts may be continued a month or more.

The young people who have enjoyed dancing in the public square during the summer months hope the nights will not be too chilly for some time to come to end the indulgence of the favorite pastime. These Saturday-night band concerts have certainly contributed in no small measure to the brightness and life of the city, and the pleasure of a large number of its people.

Mr. and Mrs. G. L. Stock (nee Georgie Andrews) arrived in this city, Monday evening, spending the week as guests of Dr. and Mrs. Irving C. Gobar, at the Sonoma Valley Sanitarium. The young people, who are living on a country place, near Menlo Park, leave for home today, and are to be accompanied by Mrs. Stock's aunt, Dr. Frances Leix, who will visit for a few days about the bay, prior to the departure of herself and husband, Dr. Frederick Leix, for Los Angeles, where they will be permanently located.

Albert Dupont, a well-known pioneer of this county, and also a former resident of this city, passed away at St. Luke's Hospital, San Francisco, Friday morning of last week, death following a protracted illness from a pulmonary affection. Deceased was a native of California, and aged fifty-eight years. He was well known to horsemen, and was an enthusiastic lover of track sports.

Mr. Dupont was the owner of Mike C., at the time of that animal's death. The funeral was conducted under the auspices of Sebastopol Parlor of Native Sons, of which fraternity deceased was a member. The remains were laid to rest in Sebastopol. A widow and two sisters survive deceased.

Children Cry FOR FLETCHER'S CASTORIA

Mrs. E. Hawes has returned from a few days' visit at Vallejo, and next week will take her permanent departure from Sonoma, having resigned her position as chief operator of the local station of the California Telephone and Lighting Company, and will take up her residence in Los Angeles. During her months of service as "head central," Mrs. Hawes has been most efficient and accommodating, and became deservedly popular with Sonoma Valley telephone patrons, all of whom regret her departure and wish for her all sorts of good luck. Miss Nellie Peterson, one of the worthiest and most reliable of our home girls, has been assigned the position of chief operator, and may be counted upon to give splendid and satisfactory service. Jerome Jansen has accepted the position of secretary.

Sunday last, at St. Francis' Catholic Church, the services were conducted by Rev. T. J. Purcell, who preached an eloquent sermon. The reverend gentleman, whose home is in Idaho, had been in this State visiting the chain of California's Missions. Father Purcell was very greatly pleased with the climatic conditions and scenic charms of the Golden State.

Six Per Cent Loans—Obtainable on farm, ranch and city property—to improve, purchase or remove incumbrance. Liberal options; five years before making payment on principal, etc. For the proposition address: Assets Department, J. P., at 1410 Busch Building, Dallas Texas, or 422-23 First National Bank Building, Denver, Colorado.

Tonight occurs the benefit entertainment and dance, given at Agua Caliente Springs by Mr. and Mrs. Theodor Richards, for St. Francis' Catholic Church. The affair will certainly be worthy of patronage, and decidedly pleasure-affording, as the musical and literary features are in charge of the League of the Cross Cadets, who are spending their annual vacation at the popular resort. This insures a varied program, and the best of music for dancing. In other ways, a pleasurable time awaits the many who have planned to spend this evening at the picturesque resort, as Mr. and Mrs. Richards and their daughter, Miss Millie, are lavish in their hospitality, exerting themselves on all occasions to contribute to the comfort and pleasures of their guests. Refreshments are to be served at a moderate price, and the price of admission has been placed at the nominal sum of twenty-five cents.

HIGH SCHOOL NOTES

The dance Friday night of last week was a great success, and was enjoyed by all. Everyone seemed to have a good time, and many were the regrets when the closing time arrived.

Jack Canaveri, one of our former pupils, who has a position with the Standard Oil Company, in San Francisco, is helping out at the station in this place for a few days. Basket ball has been started and from all indications we should have a very successful team. Paul Thomson has been elected captain for the year, and John Duhring manager. Practice will be started at once.

Well, the Fair is all over and now we have nothing but fond recollections left. In every way it was a great success. Some of the exhibits were wonderful, especially those in the fruit department. There were a great many prizes offered, and the school district that had the greatest number of points, won a prize of five dollars. This was won by the local grammar school.

The tomato growing contest will not be over for several weeks. The winner of this will get the finest trip yet, namely, a trip to Washington, D. C.

JUNIUS

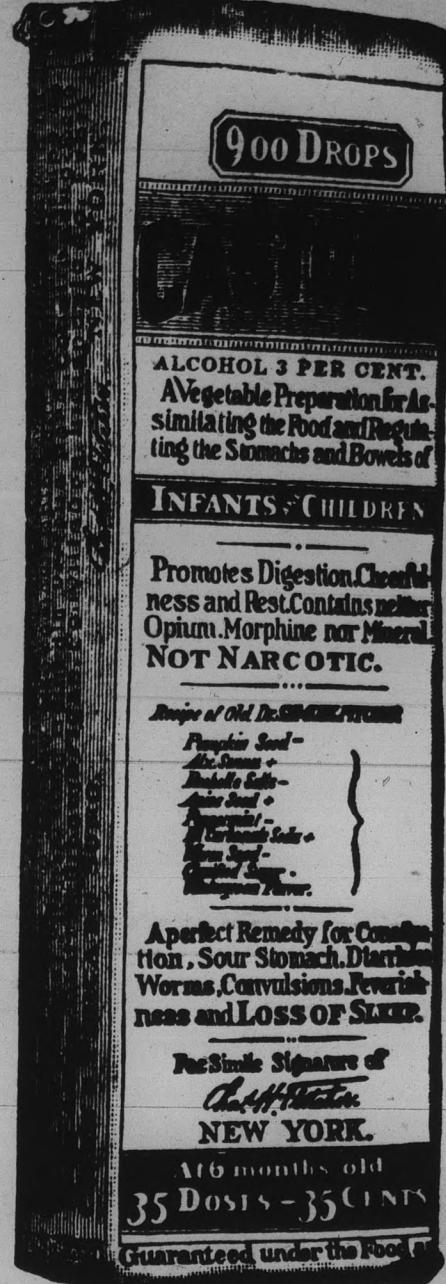

LEAGUE OF THE CROSS CADETS

The League of the Cross Cadets will be in camp at the popular Agua Caliente Springs, September 5th to 7th, inclusive.

Tonight there will be a grand entertainment and ball, with music by the forty-piece League of the Cross Cadets' Band. Residents of this valley retain pleasant memories of the appearance and music discoursed on June 14th by this band, which is one of the finest in California.

Tomorrow (Sunday) morning, at ten o'clock, Military Mass will be celebrated in the open.

Monday, dress parade and drill by the drill team. The League of the Cross Cadets were in camp at the big resort last year, and all remember the fine time they had. The general public is cordially invited to attend and help to make the encampment the biggest the Cadets have ever enjoyed.

AUTO BUSES HAVE ARRIVED

A great deal of interest was aroused in this city on Monday when three of the big auto buses for the Sonoma County Transportation Company went through Sonoma on their way to Santa Rosa. The buses are beautifully constructed and have comfortable seating for sixteen passengers.

The different routes will be as follows for the present: One to Sonoma, one to Healdsburg, and one route to Petaluma. It is probable that the Sonoma route will be extended to Napa.

The car going to Sonoma will be stationed here every night, and will leave every morning at eight o'clock for Santa Rosa; leaving Santa Rosa at ten and arriving here at twelve; again leaving at two, and returning at six o'clock.

J. H. Chapell, who is an expert driver, as well as mechanic, and a man of fine, genial personal qualities, will be the chauffeur. The buses will stop at the Union Hotel and also at the postoffice. We are satisfied that these buses will be of great advantage to our immediate neighborhood, and that they will supply a long-needed want. In fact, we see no reason why they should not answer the purpose of a trolley system for serviceable passenger transportation.

We would call attention to the advertisement in another column, which gives rates and time-table.

New Store Building for Sonoma

Wm. Russell has been awarded the contract for the construction of the splendid building, which Mrs. L. Maffei is to have erected on Napa street, adjoining the Bulotti building, now occupied by Nicholai & Maffei. The structure is to be of stucco, and will be a splendid improvement to that part of town, replacing as it will the old wooden buildings, which are a menace as a "fire-trap." The work of construction will be commenced about the middle of the month, to be completed, it is expected, in about three months. Peter Basaglia is to do the concrete work. The building is to be a one-story structure, having a frontage of eighty-six feet. It will be divided into four storerooms, one of which is to be occupied by the hardware business of Nicholai & Maffei, another by Maffei Brothers' Butcher Shop, and the fourth has not yet been rented, although several applications have been received. Mrs. Ada Pauli has rented the former Expositor office temporarily, and will move therein within the next week or so.

Bridge-Whist Club Meets

On Thursday afternoon of last week the members of the Bridge-Whist Club were entertained by Miss Dorris Clewe, at the delightful family residence, on the corner of Napa and Second Street East. Miss Clewe is the most gracious of hostesses, dispensing hospitality with a charm that invariably insures hours of pleasure for her guests. Mrs. Arthur Luce won the honors of the afternoon, receiving as trophy two dainty china cups and saucers.

Delightful Surprise Party

The fourteenth anniversary of the birth of Miss Carola Felder, which occurred on Friday of last week, was celebrated very pleasantly on that evening, when Miss Carola was tendered a surprise by her friends. The evening was delightfully spent in dancing and games, a delicious supper being served at midnight. During the intermission between dances, the guests were entertained Mr. McDaniels, who contributed pleasing vocal selections, and Mr. Stengle, a noted metropolitan violinist. The guests included the following: Mr. and Mrs. Felder, Mr. and Mrs. Douglas, Misses Rena Irwin, Marjorie Saggs, Inez, Irene and E. R. Douglas, Messrs. Jack Stengle, Earl McDaniels, Harold McPhedrain, Archie Douglas, Joseph, Leo, and Louis Felder.

Income Property—Lot 60x100, apartment house of four units, private baths, modern and central; a good home and income; also a piano. Owner, L. W. Robinson, 408 7th street, Santa Rosa.

Mrs. Poulsen Agent for Laundry

The Wet Wash Laundry, of Santa Rosa, has arranged with Mrs. Poulsen, at the Racket Store, to handle their agency in Sonoma. Mrs. Poulsen has had a phone installed and is now ready to list your orders. The large motor truck will call for your laundry each Monday forenoon, and deliver the same to you Wednesday. You cannot afford to do your family wash at home, when you can hire it done for sixty cents. For the benefit of people living in the rural districts, arrangements have been made with Mrs. Poulsen to have them leave their washing at the store (the Racket) Monday before noon and they can call on Wednesday afternoon and get their washing back. Patrons will be loaned a laundry bag, which is charged each time according to its number on the laundry record.

Whirlpool
SANITARY DISH-WASHER

SEE WHAT SCIENCE HAS DONE FOR ME

after 3000 years of kitchen drudgery. The much-needed rest of the Housewife has at last arrived. The invention of the

Whirlpool Sanitary Dish-Washer saves health, time and nerves and preserves hands and complexion. At last

Woman's Emancipation is here. A delight and an indispensable aid to those who have already used them. Just six minutes to clean, polish and dry the china, glassware and silver of a dinner for eight people.

No contact with hot water, steam or hot soapy suds. Self-cleaning, sanitary, no pump used. Small in size, easily lifted and carried. Strongly built of stamped metal.

Can be purchased on easy payments. Write for our plan.

It has a capacity sufficient to wash at one time all the dishes of the average family, yet is so light and portable that it can be easily moved from place to place.

The movement of the handle forward and backward revolves the propeller in the bottom of the washer, which dashes the hot soapy water with a swirling effect around, through and over all the dishes, forcibly attacking them at all points, and cleaning them with absolute perfection on all sides. The dishes are completely washed in less than one minute's time and the washer works so easily that a child can operate it.

Turning down the small lever at the top of the washer, opens drain valve and discharges the water in a few seconds. The dishes are then rinsed and sterilized by pouring clear boiling water through the lid and turning the handle about thirty seconds. The rinsing operation automatically cleans the washer itself, which always remains in an absolutely sanitary condition.

Beautifully illustrated booklet showing every phase of the Whirlpool Sanitary Dishwasher sent on request.

Thousands are being sold by leading stores in Philadelphia, New York, Chicago, St. Louis and other large cities. The Whirlpool enjoys a monopoly of the market, and furnishes agents the best opportunities for quick money making available anywhere.
